

2011 Home of Hope—Springfield, Oregon

Metro Multifamily Housing Association and Relief Nursery

BELFOR of Springfield, Oregon places a high value on re-investing money and time into the local community. Under the leadership of GM Greg Smith, the marketing prowess of PM Jim Skeele and the management skills of Derik Hendricks, BELFOR partnered with the Southern Willamette Valley Multifamily Housing Association and the Relief Nursery for the 2nd year consecutively to produce the Home of Hope project for 2011. Helping an outstanding local family repair and beautify their home to expand their work in caring for foster children. BELFOR assisted in the planning, production and completion of the project with manpower, materials as well as being able to pull resources through relationships with local vendors and sub contractors.
