CONTENTS RESTORATION
From fine art and antiques to one-of-a-kind collections, BELFOR understands that the contents of your property represent both personal and monetary value to you.

BELFOR has been trusted with some of the world’s most famous collections. Our experience and proven techniques provide safe, effective recovery and restoration of salvageable items of value.

STANDARDS AND CODES
BELFOR strictly adheres to all industry standards as well as federal and state government regulations. This includes local city and county building and/or environmental codes.

BELFOR maintains required certifications, licensing, bonding capacity, and insurance coverage in all areas, allowing BELFOR to perform work in compliance with all state and federal regulations. BELFOR also adheres to other various requirements as mandated by both the Occupational Safety and Health Administration (OSHA) and the Environmental Protection Agency (EPA).

BELFOR is qualified to restore property to rigorous LEED (Leadership in Energy and Environmental Design) certification standards.

BELFOR can help. Call our 24-hour hotline.
