RED ALERT PRIORITY RESPONSE

BELFOR's RED ALERT program can reduce response time, improve your chances of full recovery, and limit the financial impact of a disaster to your business operation.

When you become a member of the RED ALERT program, one call to our 24-hour priority hotline activates an immediate response of experienced personnel to your site. Members also receive a dedicated account representative and priority response over all non-RED ALERT clients for area-wide disasters (catastrophes).

STANDARDS AND CODES

BELFOR strictly adheres to all industry standards as well as federal and state government regulations. This includes local city and county building and/or environmental codes.

LEED CERTIFICATION

BELFOR is uniquely qualified to restore property to rigorous LEED (Leadership in Energy and Environmental Design) certification standards. BELFOR has more than 25 LEED-certified account professionals on staff.
