FIRE DAMAGE RESTORATION - BEFORE/AFTER

DISASTER RECOVERY AND PROPERTY RESTORATION SERVICES
When disasters like fires, floods or intense storms strike a religious building or institution, the physical loss and emotional toll that follows can test the faith of a congregation, staff and entire community. From hymnals to organs, and stained glass windows to church bells, BELFOR is by your side with 24-hour emergency response and the most experienced, dedicated team in the industry.

- Established Relationships with Insurance Companies Serving Faith-Based Properties
- Experience Restoring Liturgical Garments and Textiles, Documents, Electronics, and Historical Relics and Artwork
- Specialized Recovery of Church Bells and Chimes, Furnishings, Stained Glass and Statuary
- Team Approach in Emergency Recovery with Religious Institution, Congregation and Insurance Company
- Detailed Work Plans of the Recovery Process
- Keen Understanding of the Unique Needs and Role of the Religious Institution in the Community
- Licensed and Industry-Certified Professionals
- Strict Safety and Employee Screening Policies

RED ALERT® PRIORITY RESPONSE
BELFOR’S RED ALERT program can reduce response time, improve your chances of full recovery, and limit the financial impact of a disaster to your business operation.

RED ALERT members can activate an immediate response to their site with just one call to our 24-hour priority hotline. They also receive a dedicated account representative and priority response over all non-RED ALERT clients for area-wide disasters (catastrophes).

STANDARDS AND CODES
BELFOR strictly adheres to all industry standards as well as federal and state government regulations. This includes local city and county building and/or environmental codes.

LEED CERTIFICATION
BELFOR is uniquely qualified to restore property to rigorous LEED (Leadership in Energy and Environmental Design) certification standards. BELFOR has more than 25 LEED-certified account professionals on staff.
