

# K-12 EDUCATION

## PROPERTY RESTORATION SERVICES

Schools and K-12 facilities are vulnerable to disasters. Most face multiple issues such as the safety and security of students and faculty, maintaining academic excellence amidst the chaos, and rebuilding with tight deadlines and budget restraints.

For many school districts, BELFOR is the provider of choice for disaster recovery and property restoration services.

From classrooms and libraries to gymnasiums and cafeterias, BELFOR has the experience, resources and equipment to help repair, rebuild and restore campuses back to normal following any type of disaster.
