BELFOR - There When You Need Us.

When the alarm sounds, fire departments answer the call for help with quick and decisive action. When the smoke clears, BELFOR stands ready to help with the same rapid response - 24 hours a day, 365 days a year. From emergency board-up to demolition or complete reconstruction, count on the fire restoration specialists at BELFOR to answer the call.

Fire Department Support Services

- Emergency Board Up and Site Containment Services - securing the property/premises and preserving the scene.
- Work under the direction of Arson Investigators - secure evidence, debris manipulation, transport and storage, etc.
- Supply cranes and other heavy equipment to clear paths, allow for aerial photos, expedite hauling, etc.
- Shoring and moving of materials to help secure safe entry of fire department and authorized personnel.
- Provide lighting, dumpsters, emergency power, etc.
- Application of board-up decals if required to reduce visual eyesore of burned structures.

Member Of National Fire Protection Association (NFPA)

Innovative Products

BELFOR developed a proprietary soot removal product called Soot Removal Film (SRF) that is:

- highly effective and virtually water-free
- environmentally friendly
- non-destructive and non-corrosive;
- suitable for sensitive environments and critical materials/contents.
