

**LUXURY HOMES AND
HIGH-END PROPERTIES**

BELFOR 
PROPERTY RESTORATION

An unexpected fire. A sudden earthquake. A devastating hurricane. Or maybe just a busted pipe. Disaster can strike anytime, anywhere.

What will you do?

The answer is simple.

STAY CALM. CALL BELFOR.

NOT EVERYONE DOES LUXURY

Restoring a spender to a luxury home or high-end property after disaster strikes requires commitment, experience and knowledge. Most importantly, it takes precision and passion. Second-rate reconstruction is not an option.

That's why BELFOR is the perfect choice for high-end and luxury property restorations. With more than 70 years of experience, throughout the world, BELFOR has a team of professionals uniquely qualified to rebuild and recover properties of significant monetary, historical or architectural value.

From the structure itself to the valued contents inside, BELFOR uses the industry's most innovative and effective techniques to restore value and luxury.

WE GET RIGHT TO WORK

The moment BELFOR arrives, damage control begins. We stabilize the environment, analyze the situation, quickly secure the property, erect safety barriers and initiate an integrated, coordinated emergency response. We are able to mobilize specialists to your site for immediate action from across the globe. This ability to amass the right size team as well as handle the logistics of transporting support equipment is key to the speed and efficiency of our response.

SINGLE-SOURCE RECOVERY SOLUTIONS

BELFOR is recognized as an industry-leading single-source provider of the most comprehensive selection of disaster recovery solutions.

CONTENTS RESTORATION

From fine art and antiques to one-of-a-kind collections, BELFOR understands that the contents of your property represent both personal and monetary value to you.

BELFOR has been trusted with some of the world's most famous collections. Our experience and proven techniques provide safe, effective recovery and restoration of salvageable items of value.

STANDARDS AND CODES

BELFOR strictly adheres to all industry standards as well as federal and state government regulations. This includes local city and county building and/or environmental codes.

BELFOR maintains required certifications, licensing, bonding capacity, and insurance coverage in all areas, allowing BELFOR to perform work in compliance with all state and federal regulations. BELFOR also adheres to other various requirements as mandated by both the Occupational Safety and Health Administration (OSHA) and the Environmental Protection Agency (EPA).

BELFOR is qualified to restore property to rigorous LEED (Leadership in Energy and Environmental Design) certification standards.
