### *Reno joins the Nevada State Apartment Association*

#### **MARCH 2017**

BELFOR Reno's Michelle Turner joined the Nevada State Apartment Association in celebrating Red Nose Day. Everyone donated money by purchasing their nose, then during the Fair Housing Class, they put on their noses for the serious cause of ending child poverty.

Red Nose Day was launched in the US in 2015. The money raised by Red Nose Day in the US has benefited programs for children and young people in all 50 states and in 25 countries internationally.
