BELFOR Wins Nexxus Award

The Phoenix office is the Top Performer in the Southwest

MAY 2017

BELFOR Phoenix was proud to accept the Nexxus Eagle award for their stellar performance in the Southwest District of North America. The award was presented at the

Nexxus Ceremony

Nexxus conference held in Orlando, Florida, May 2017.

The Nexxus Eagle is designed to recognize those who soar above the rest with the best claim processing scores and customer service.

Phoenix was honored to be selected, out of all the contractors in United States and Canada, as one of only seven Eagle recipients.

Nexxus is a contractor and service provider management network serving the needs of insurance companies and policy holders.

BELFOR PHOENIX

BELFOR Phoenix is consistently recognized as a top mitigation performer in Arizona and the West. They have twice been the recipient of the Golden Hammer award for excellence, quality of work, and professionalism.

The Phoenix office has won the Award of Excellence from Alacrity Services, a leader in Property Casualty Claim Solutions and management of a nationwide contractor network. The award is performance-based and the recipient company must have an exemplary record in customer service and restoration work.
